## **NEWSLETTER FOR THE WEEK OF AUGUST 5, 2013**

### **August 1, 2013 meeting:**

Eighteen members and Key Clubbers Amanda and Brandon welcomed guests Carrie Campbell, Stan and Peggy Vaughan and Landon Hoskins. Vice-president Brian chaired the meeting and ran a great meeting. Pictures from the meeting will be in a future newsletter when Key Clubber Brandon sends them to me.

Happy \$\$ - Kiwanian Rebeccah was happy she has a full time job at A&W at the West Lorne service station on the east-bound 401. She was also happy that she will be helping Kiwanian Jen with the Key Club.

\$ - Stan Vaughan was happy to be at the meeting with his family.

\$ - Secretary Mary Ann was happy that her daughter Hayley has been accepted into the BScN at St. Clair College starting this fall.

\$ - PP Dale rescued Hanna and Mary Ann on their way to the meeting. Mary Ann was rather disappointed since she had two weeks of "supplies" with her. PP Dale gave Hanna a tour of the "Campbell Cabin" and Mary Ann insisted on acting as a chaperone.

Golf tournament – plans are going great for the 1<sup>st</sup> annual Kiwanis Community Golf Tournament. 40 hole sponsors and 25 teams registered to date. Ball drop tickets – sell, sell, sell. Kiwanians Hanna and Keith sold tickets at Foodland July 30 and sold 5 books! Thanks Hanna and Keith. Kiwanian Jen would like all tickets returned at the August 8 meeting. Ticket numbers sold are needed in order to number the golf balls. Bring them to the August 8 meeting!

August 8 meeting at the Vaughan's – 2 King Street North, Ridgetown – hosted by Kiwanians John Wright and Jenn and David Vaughan.

324 back bacon on a bun and 360 hotdogs sold plus coffee and pop! Yes it was a busy three days, plus setup, for our club but I am sure the profits will prove favourable. We had great support from the members. Thanks to all who helped, especially Jenn Vaughan who cooked over 40 pounds of onions and VP Brian who barbequed 360 hotdogs. A big thanks to Kiwanian Gary Guyitt for all his work on the fundraiser including pricing and shopping for ingredients. It takes a lot of planning for food sales to be profitable. Gary spent a lot of time sourcing ingredients locally at the best price and then setting the menu prices. It would be easy just to pick up the phone and order everything delivered, but that wouldn't be profitable for the club. Pop is purchased on sale, buns are purchased on sale and Town & Country Meats supplied the bacon and hotdogs for a good price. Menu items were priced according to the ingredients in each item. Adding ingredients to a menu item decreases the profit. All the planning proved successful. It was busy – and fun - despite having to listen to two days of country music!

Thanks to our new signs the Kiwanis name and our projects were very visible.

Has PP Craig started a new business - restoring antique tractors?

I am not sure if the object stumped everyone or no one read the challenge. I did not receive any guesses.

Here is how it works ...

It hooks on the table to hold your ice bucket!
