## INDIANAPOLIS

### KIWANIS CLUB OF RIDGETOWN

P.O. BOX 1642, RIDGETOWN, ONTARIO N0P 2C0

Week of March 22, 2015

Last week we had a Mystery Tour after Dinner! There may have been a couple of hints at dinner. Barry and Sandy Kearney were our guests. We toured their planter manufacturing sight on Turin Line. We got to see their new building, and the planters along with some of the innovations they have produced over the years. They are especially proud of the air deflector that they have developed to keep neonics from becoming air borne in an air-seeding unit. It won them an award for Innovator of The Year.
